

More Moon Contest Prizes

Special prizes for persons entering the Man On The Moon contest via Graphic Newspapers were announced this week by James Godbold, publisher of these papers.

The person from this area who selects most closely the precise moment when the first American astronaut steps on the Moon's surface will win a set of World Book Encyclopedia.

World Book Encyclopedia 1969 Year Books will be awarded to the next five best selections from this area.

First prize nationally is a two-weeks vacation, for two,

anywhere on Earth. Second prize is a trip to Kennedy's Coca Beach during a timed-space launching.

Co-sponsors are Graphic Newspapers and TODAY, the primary Gannett newspaper serving the Cape Kennedy area.

The contest has caught the fancy of our readers. They have responded in surprising numbers by filing entries within days of the announcement of the unique contest.

Details of the competition, plus an entry blank, are elsewhere in this edition.

Board Studies Plans For Lincoln-Way Expansion

The Lincoln - Way High school board held a special meeting last week for the purpose of studying the new building plans and securing additional information concerning the future housing and financial needs facing the district.

The most important question to be settled pertained to the ultimate development of the second site, located on U.S. Route No. 45, immediately north of Frankfort. The administration explained the many advantages and disadvantages of further building on the present site rather than starting the second school at this time. Supt. A. Hunter Chapman pointed out the district's financial structure and bonding power was

inadequate to build or support the second school.

By connecting the proposed new ninth grade building to the present structure, many of the present facilities could be used without duplicating, he pointed out. These savings would result in using all classroom areas 100% of the time, using many of the present expensive shop areas without adding new ones. In the new addition, only the basic academic and special service areas will be included.

Many present departments such as: agriculture, industrial arts, music, and business are adequate and will not be included. Furthermore, considerable savings will be realized in utilizing

the present athletic fields, sewerage and water systems, lunch and transportation equipment, it was agreed.

The superintendent also pointed out the proposed educational rate increase would still be insufficient to support a second school, because of the duplication of personnel, and educational equipment.

Other information given to the board members resulted from questions concerning future enrollments, schedule for the actual construction, and the plans for housing the students before the completion of the project.

The architectural firm of Childs and Smith has only completed the initial preliminary plans and will need several months to develop the working drawings and specifications. An additional month would be necessary for securing bids, which would result in a target date of Sept. 1, 1969 before breaking ground. It would be most unlikely to expect completion in time for the 1970-1971 school year. Emergency and temporary measures would then be developed, using non-classroom areas, or going to 7:00 a.m. and 4:30 p.m. classes.

The new building is being planned for 600 students, and will be filled immediately with the incoming ninth grade pupils in September 1971. It is being designed for future classrooms additions, and could eventually house 1000 students.

Board members expressed confidence in voter approval of both propositions, since the children are already in the nine elementary schools located in the Lincoln-Way district. They realize increasing taxes are difficult, but at the same time recognize the community's responsibility in providing the same quality school as in the past, and as required by law.

Bond Bids

The board of Junior College District 525 is meeting next Tuesday night, Feb. 18 at 8 o'clock in the Junior College Lounge, Room 243, in the Joliet Township High School at 201 E. Jefferson St., Joliet, to open bids on building bonds.

The district is empowered to sell \$3,500,000 in bonds.

CANDIDATES FILE FOR VILLAGE POSTS

Who's who in the area village elections this spring was decided at midnight Monday night. That was the deadline for filing nominating petitions with village clerks. But no one stayed up that late to get their names on the ballot in Mokena, Frankfort or New Lenox.

Mokena will have the longest ballot of any of the area municipalities and if all the people had filed petitions that were reported to be ready to file the ballot would have looked like a county ballot in a presidential year.

There are three candidates for mayor at Mokena, four for the three openings on the board of trustees, and one for village clerk.

Rumors had been in circulation for several days that at least two other candidates would file for mayor and quite a collection as trustees but that is all they turned out to be -- just rumors.

Alvin Sorensen, veteran village clerk, who filed last week, is unopposed. And an oddity about this election is that he is the only incumbent to seek re-election. Mayor Eric Book announced early he would not seek another term but it was thought that perhaps some of the trustees might. The terms of George Bills, Roy Richardson and Clarence Zugenbuehler expire this spring and none of them wants another.

One group on the ballot filed together and will be running as a slate or ticket, altho there will be no party or ticket names on the ballot.

Heading this slate is Will Tuttle, 38, a former village trustee, president of the Mokena Chamber of Commerce four years, a member of the Mokena Industrial Commission, a member and former board member of St. John's United Church of Christ, and owner and president of Mokena Sales Inc. He is one of the three candidates for mayor. The others are Delbert J. Drackley, the station agent at the Rock Island rail depot, and Thomas Deeb, who resides on Third St. There was not time to get any information on these two candidates, nor on one of the candidates for trustee, Martin D. Thompson, who resides on Third St.

The candidates for trustees running with Tuttle are Kenneth W. Warning, 46, of 19918 S. Anna St., a life resident of Mokena. He is a foreman for the NI-Gas Co. at Glenwood, where he has been employed for 21 years. He is a member of the Mokena Volunteer Fire Department and St. John's Church.

Chester D. Ebert, of 11002 Denny St., a former member of the Mokena Grade School board, is secretary of Immanuel Lutheran Church, treasurer of the Mokena Chamber of Commerce, a

member of the Lincoln-Way Agricultural Advisory Council and of the Will County Extension Council. He is a veteran of WW II and the owner of Ebert Farm Service, a business he started in Mokena in 1950.

Lyman F. Teague, 59, of 19802 S. Mokena St., a resident of the community for 17 years, is a graduate of Northwestern University and for 40 years has been with the Employers - Commercial Union Insurance Group as auditor. Member of Mokena Methodist Church and a charter member of the Mokena Lions. He served six years on the Mokena village board and was a member of the grade school board for seven years. Active in various civic groups.

At New Lenox, three trustees are to be elected and there are five candidates, two of them incumbents, Robert Randolph, who was the first to file, and Jack Batson, who filed on Wednesday of last week.

Since then, Harvey Cross, a supervisor of the Arrow Construction Co., Howard Hutchins, owner of a paint store, and James Warning, who resides on Fir St., filed their petitions with Village Clerk Marjorie Wajchert.

Wilbur Thackrey, whose term expires this spring, did not choose to seek re-election. Thackrey was the street committee chairman.

Batson was in charge of

public property and it was thru his efforts that the village garage was turned into the village hall and there is talk that the village may build a new home for itself -- after it has completed some other projects.

At Frankfort there will be no opposition in the village election.

Mayor Glenn Warning is a candidate for re-election as is veteran village clerk, Walter Pfaff.

Lynn Kohlhausen, chairman of the street and build-

January Busy Month For Mokena Police

The report of Mokena Police Chief Wayne Ryder for January showed it to be a busy month.

Ninety-five calls were received and they covered a wide field. For instance police were summoned in 13 domestic disturbances and acted as messengers to notify three families of deaths.

There were two burglaries in the village in January, and five calls concerning prowlers. A stolen car was recovered and the persons accused of responsibility were arrested.

Police recovered two runaway children and gave help to two stranded motorists. They handled nine accidents and probably set a record in suburbia for picking up and impounding 14 dogs. Police

ing committee, will seek another term. However, John Topp, who was filling in the unexpired term of James McLeMore, and Jerry Francis, whose four year term ends in April, were content to withdraw. Topp has been in charge of water and sewer service and Francis has been quite active in improving and building up the Community Park.

Running for those two open places on the board are Michael McAndrew and Howard Woodman.

January Busy Month For Mokena Police

gave escort for 11 ambulance calls and gave assistance to Will County, state, Chicago and neighboring police on numerous occasions.

Police had but one drunk to contend with and one fight. One case of vandalism was reported in the village. Four motorists were charged with speeding and five juvenile cases handled.

Ladies Auxiliary to William Martin Post No. 725 held their meeting last Thursday evening at the post headquarters.
Miss Patricia Larson, president conducted the business at hand. Eleven members were present. The meeting opened with a prayer by Matilda Stankers, chaplain. Olive William, patriotic instructor led the pledge to the flag.

As there was no meeting in January because of the weather, Mrs. Larson, president presented Olive Williams with her 25-year pin. Another member Mary Steinhagen will be given her 25 year pin at her home as she is not too well.

During the meeting the ladies welcomed a new member to the auxiliary, LaVerne Nemeyer.

The ladies voted on giving donations to Child Welfare and Radio Free Europe.

The meeting was closed with a prayer, after which refreshments were served by Patricia Larson.

Elaine Reckemer, Librarian, invites the public to visit the public library to see the set of slides of each framed art that is available to any adult library borrower. Come in and browse through the slide collection and select the right one for your home.

The collection is not large enough now to meet the many requests from offices, churches, and schools. We have a wide range Wyeth, "The Holiday" to Picasso "The Musicians". Don't wait, come in and see what we have for you.

CUT YOUR OWN TAXES

Surtax Lag Causes Confusion

Editor's Note: It is time to think about income tax again. This is the first of a series reviewing the regulations, with emphasis on taking advantage of all exclusions and deductions legally due you.

By Ray DeCrane

"More" is the byword of our times.

The worker demands more wages, arguing that everything he buys costs him more.

Corporations seek more profits than before; their stockholders constantly demand improvement over last year's performance.

Government is not to be

outdone. At all levels -- city, county, state and federal -- the cry is for more taxes.

You felt the first effects of this year's cry for more on the first day of the new year. On Jan. 1, 1969, your Social Security taxes went up. A year ago you were assessed at the rate of 4.4 per cent on the first \$7,800 of earnings. This year's rate: 4.8 per cent.

But the big blow is still ahead. When you file your federal income tax return between now and April 15 you will receive the full effect of that 10 per cent surcharge that was in the headlines most of last year. As

everyone knows by now, the surcharge is a reality.

Congress made the surcharge retroactive to last April 1. But the increased withholding didn't begin until July 15. That 3 1/2-month lag will have to be made up when you file this year's tax return.

If you have been in the habit of paying an additional sum when you file your return you'll pay more this year.

If you have been fortunate enough to obtain a refund in the past, it will be smaller this year.

Never before has it been so advisable to be fully informed on your rights so

that you can claim every possible deduction. Tax savings offer you the best savings possible, since they represent after-tax money. A \$1 savings on your income tax return is worth an additional \$1.25 or more in earned income on which a tax is still due.

In this series of articles, simple, easy-to-understand instructions will be given designed to help you simplify your tax chore and save money in the process.

Clip and save them for the valuable assistance they will offer when you sit down to complete your own return.

NEXT: Three forms.

Two Tickets In Town Election

There are two tickets in the field in the New Lenox Township election April.

The Republicans will be opposed by the Democrats, running as such.

With the exception of one of the candidates for auditor, all of the Republican candidates are incumbents. Ronald Vondrasek, who was one of the three auditors, did not choose to run this time. His place on the ballot has been taken by Donald Hunt, of Terry Lane.

The candidates, chosen at party caucuses last week,

are:

For Town Clerk

Republican - Francis (Frank) Kluge, assistant vice president, New Lenox State bank, of 129 W. 4th Av., seeking 2d term.

*Democrat -- Anton (Tony) Bruck, 942 Wisconsin Rd.

For Assessor

Republican -- Frank Clark, of Laura Lane, seeking 2d term.

Democrat -- Edward N. Carlson, of 515 Old Hickory Rd.

For Collector

Republican -- Alfred Em-

iley, W. Haven Av., seeking 2d term.

Democrat -- Richard W. Snyder, Bittersweet Lane.

For Auditor

(Three to be elected)

Republican - Kenneth E. Allen, 2428 Suffolk Lane, in-

cumbent; William (Bill) Loucks, Rt. 1, incumbent; Donald Hunt.

Democrats -- Kenneth Sak, 2400 Mayfair Drive; Mary McLaughlin, Laraway Rd., and Ronald F. Bersano, 525 Alan Drive.

Russell A. Herath, N.L. Banker, Dies

Russell A. Herath, 52, of 245 Roberts Rd., New Lenox, died at his home Saturday, Feb. 8. Mr. Herath was assistant cashier at the New Lenox State Bank for the past five years. The bank was closed at noon Tuesday out of respect for Mr. Herath.

Funeral services were held at Richards Street Methodist Church Tuesday, Feb. 11 at 1 o'clock. The Rev. Paul L. Higgins officiated and burial was in Woodlawn Memorial Park.

Mr. Herath was born in Joliet and was a life long resident of the area. He attended Joliet public schools, graduating from Joliet Township High School in 1936.

He was employed by U.S. Steel for 11 years and was part owner of the Camera House from 1946 to 1951. He later operated Russ's Camera Shop until 1963.

Mr. Herath was a member of the Mount Joliet Lodge 42, A.F. and A.M., Joliet Chapter 27, R.A.M., Joliet

Commandery No. 4, Knights Templar, Medinah Temple and the New Lenox Lions Club.

He was preceded in death by his father, Albert Herath, a brother, Jack; and his stepfather, William McKrell.

Surviving are his wife, the former Erlean E. Welch; two sons, Lawrence of New Lenox and the Rev. Richard A. Herath of Colchester; his mother, Mrs. Mae McKrell and a sister, Mrs. Const (Dorothy) Brosart of Morris; two half-brothers, Thomas and Daniel McKrell of Joliet, and a half-sister, Mrs. Harold (Elizabeth) Eilts of Springfield.

Asks OK On Business Zoning

The New Lenox village zoning board of appeals will hold a hearing at 7:30 p.m. March 3 in the village hall on the petition of William Bolker for a change in classification from R-3 to B-1.

Frankfort School Board Will Have 5 Vacancies

Nomination petitions for members to the board of education may be picked up at the Frankfort Grade School office, Hickory and Oregon St. The office hours are 8:30 to 4:30, Monday thru Friday.

The first day for filing is Feb. 26 and the last is March 22.

The election will be held April 12. Three are to be

elected for full terms of three years each and two will be elected for unexpired terms of one year each.

A candidate must be a citizen of the United States, 21 years of age or over, and a resident of the state and the district for at least one year immediately preceding his election, the law states.

Dear friends,

Every person who attends a funeral has a certain responsibility in connection with the service. Any unnecessary noise or confusion detracts from the quiet reverence that should be a part of every service.

We have appreciated the cooperation given us by the public. The bereaved family is always most grateful for an atmosphere of quiet reverence during the last tribute.

Arbury Hills

Parent-Teacher Meeting Tonight

Mrs. Edward Hovi
Telephone 479-5740

The Summit Hill Parent-Teacher Group will hold their February meeting at the school tonight, Thursday, Feb. 13, beginning at 8 o'clock.

Please come tonight especially, since the by-laws committee has a series of amendments to be voted upon. In order to do this there must be a quorum present.

Following the business meeting there will be an address by Mr. Alan Dornseif, a local resident who is a teacher elsewhere, who will give us an insight into the progress of the teaching social studies in the grammar school level.

The Summit Hills Boy Scout Troop Number 10 will hold their annual Court of Honor at the school on Wednesday evening, Feb. 26, beginning at 8 o'clock.

The Court of Honor is the presentation of the ranks and badges earned by the scouts during the past year.

This year will prove especially interesting, since there will be the awarding, for the first time in Arbury Hills, the rank of Eagle Scout to one of the troop. Eagle Scout being the top rank in scouting.

In addition there will be the awarding of Life Scout rank to one of the scouts who began his scouting life as a Cub Scout right here in Arbury Hills. This will be our first "home grown" Life Scout. The rank of Life Scout is one rank under Eagle Scout. Congratulations to both of our top shining lights!

The scouts will also participate in the Gold Nugget Derby over the weekend of Feb. 22 at the Boy Scout Camp at Morris. There have been many weeks of preparation for this event in order that it would prove to be as successful as the Klondike Derby of last year. One thing we ask of you to

help, put in a good word with "The Man Upstairs" for a good batch of snow at the camp for that week end.

The third grade of St. Mary's School in Mokena will entertain the ladies of the Altar and Rosary Society tonight, Thursday, Feb. 13, at 8 o'clock. They will present a musical program for which they have been practicing for some time.

The Lions Club of Arbury Hills, which encompasses all of the Summit Hills School District, held a successful dinner-dance on Saturday, Feb. 1 to celebrate the presentation of their charter.

There was a crowd of two hundred five enthusiastic people attending, including many from the sponsoring Mokena Lions Club. The Arbury Hills Lions Club itself has now thirty-six members with an open invitation to any man within the school district to join by contacting any present Lions Member.

The original staff of officers and board of directors members are: President, Don Wilson; Vice President I, Carlin French; Vice President II, James Durbin; Vice President III, Bob Nauman; Secretary, Don Wilson, Jr.; and Treasurer, Al Borchart.

The Board of Directors are: Joe Arcuri, Jim Peyton, Dieter Menzer, Joe Farnham, Joe Nyder is Lion Tamer and Dan Markowski is Tail Twister.

The aim of the organization on a major scale is aid to the blind and retarded. On a local level they are working toward bettering the community with one of the first projects being the construction and maintenance of two bus shelters for the school children within Arbury Hills.

An Easter Egg Hunt is planned for all the pre-school and grammar school children within the school district with prizes to be awarded.

Frankfort

Fire Department Elects Officers

Mrs. Katharine Heisner
Telephone 469-5187

The Frankfort Volunteer Fire Department has elected officers for the coming year. Lynn Kohlhausen has been re-elected fire chief. President of the Volunteers is Don Lorenz, and vice president is Bruce Wells. The secretary is Wayne Johnson and Wilbert Klier is treasurer.

By laws of the organization call for the election of three trustees who also serve as auditors. They are not to be confused with the three trustees of the Frankfort Fire Protection District who are appointed by the circuit court.

The trustees serving the Volunteers are Burnett Schram, Clyde Reils and Harold Scheer.

Wayne Hossbach was elected sergeant-at-arms.

The firemen are now busy with plans for their annual spring dance that is to be held on a Saturday night, April 19, in the Veterans Memorial Building.

There will be Holy Communion services at St. Peter's United Church of Christ and the Frankfort United Methodist Church at 7:30 p.m. Ash Wednesday, Feb. 19.

Pancakes and sausage will be served by the St. Peter's Men's Fellowship at the church hall this Saturday, Feb. 15. Serving will be from 6:30 a.m. to 1 p.m. Tickets for adults are \$1.25; children's tickets are 75 cents.

On Wednesday evening, Feb. 19, Mrs. Edward Warning will entertain the Royal Neighbors at her home (immediately after the Lenten services) at 8:30 o'clock. She will serve lunch.

The Frankfort Lions will have their regular dinner meeting at 6:30 o'clock next Tuesday evening at Arch Inn.

This is Boy Scout Week, Feb. 7-13, and the 59th anniversary of Scouting. During this period the boys will wear their uniforms daily. Last Sunday the Scouts attended the services at the Frankfort Methodist Church. Also on Sunday 33 members of the Cub Scout and Webelos Pack 270, Roger Maitland, leader, had a hike to Van Horn Woods where they had a weiner roast.

A committee meeting at the home of Jay Massey made plans for the Blue and Gold banquet to be held at 6:15 p.m. Tuesday, Feb. 25, in the Veterans Memorial Building.

The WSCS of the Methodist Church will have the February meeting next Tuesday night at 8 o'clock with Mrs. Everett Andrew in charge of the business session. Mrs. Dan Hecht is program chairman and hostesses will be Mrs. John Stankus, Mrs. Joseph Karkos, Mrs. James Walker and Mrs. Ralph Wiley.

"African Safari," a travel-log, will highlight the meeting of the Frankfort Woman's Club Feb. 20 in the home of Mrs. Albert H. Krusemark. The meeting will begin at 8 o'clock with Mrs. Michael McAndrew, the president,

in charge of the business session.

Mrs. Walter Schoen is chairman of the evening. Co-chairmen are Mrs. Harold Ebert, Mrs. Robert Fredin, Mrs. Herbert Folkers Jr., Mrs. Herman Weichbrodt, Mrs. Paul Lambrecht, Mrs. Robert Dean, Mrs. Albert Krusemark Jr. and Mrs. Clarence Radke. Honorary and new members will receive recognition at this meeting.

Mr. and Mrs. Burton Breidert have returned after a five-week vacation abroad. They spent the first two weeks with their son and his wife, Lt. (JG) and Mrs. Robert Breidert at Guam. From there they went to Hong Kong, Taiwan, and the Philippines. The younger Breiderts accompanied them. The Burton Breiderts spent about two weeks in the Hawaii Islands just before returning to the mainland.

The movie is sponsored by the Fairway Home Owners Association, proceeds to go to the Fairway bus fund. Plans are to have a series of movie showings, once a month. Candy, popcorn, pop and coffee will be available.

The Methodist Men will have their monthly breakfast, Sunday morning, Feb. 16 at 8 a.m. at the church.

Ash Wednesday, (Feb. 19) will be observed at St. Michael Church. Evening mass will be celebrated at 7:30 p.m., Monday, Wednesday and Friday evenings during Lent.

The Teen Dance will be held Saturday, February 22 in the Auditorium of St. Michael School from 7:30 to 10:30 p.m.

Members of Christ Lutheran congregation in Orland Park will begin the penitential season of Lent on next Wednesday, Feb. 19, with a solemn Holy Communion vespers worship. The coming Ash Wednesday worship will mark the beginning of a series of Lenten mid-week vespers services scheduled for every Wednesday.

Bobzin-Swinford Post, American Legion, will meet in the Veterans Memorial Building next Wednesday evening at 8 o'clock.

Mrs. Arthur Buske will be hostess to the Frankfort-Mokena Homemakers Extension Unit at her home in Mokena next Tuesday noon. Assisting hostess will be Mrs. Jeanette Knieriem. Roll call is "My Most Beautiful Valentine." Title of a panel to be given by local leaders is "Fruit and Vegetables," "Dairy and Eggs," "Meats," and "Cereal Products." Mrs. George Elsner has charge of the recreation. On Feb. 24 two local leaders, Mrs. Wilbert Laufer and Mrs. George Smego, will take a lesson on "Short Cut Cookery."

The Family Life Circle of the Green Garden Metho-

Woman's Club

day evening during Lent at 7:30 p.m. The dates for these special Christian worship opportunities are: Feb. 19, 26, March 5, 12, 17, 26. The general worship theme for this year's midweek Lenten services, as well as for the Holy Week worship, will be: "The Lord's Prayer and The Lord's Passion." The six Wednesday evening's plus Maundy Thursday, Good Friday, and Easter will afford the opportunities to meditate upon the Introduction, the Seven Petitions, and the Conclusion of the Lord's Prayer.

As a special service to the Orland community Christ Lutheran Church, 143rd Street and West Avenue, will be open each morning during Lent between 8:30 a.m. and 9:30 a.m. for private Lenten meditation.

The Juniors have welcomed the following new members into their organization. Mrs. William Booth and Mrs. Frank Rice of Oak Forest; Mrs. William Berg, Mrs. Edward Cavanaugh, Mrs. Thomas Deufel and Mrs. John Muilenburg, all of Orland Park. Anyone interested in membership or in attending a meeting as a guest is encouraged to contact Mrs. Joseph Srebro, membership vice president, or any member of the Orland Park Juniors.

Remember to set aside the evening of March 21 for the annual spring fashion show sponsored by the Orland Park Juniors. Tickets are available now from members of the organization or by contacting the Ticket Chairman at 349-3523 Mrs. Berg.

Mrs. Betty Stelter, librarian of the Orland Park public library, will attend a one-day workshop sponsored by the Suburban Library System on Feb. 14 at LaGrange. Topic of the day will be "The Library, Public Relations, and National Library Week".

Special attention will be given to the use of National Library Week as a focal point for a public relations program. (This year National Library Week will be observed April 20-26.)

Site of the seminar will

dist Church is having a pancake luncheon after the regular morning service Feb. 23. Serving will be from 11:30 to 1:30 and the donation will be \$1. The public is invited.

St. Peter's United Church of Christ, Rev. LaVern Smith, pastor, Sunday School at 9:15 a.m.; worship service at 10:30 a.m.

Good Shepherd Lutheran Church; worship service at 9 a.m.; Sunday School at 10:10 a.m.

Frankfort Methodist Church, the Rev. Charles Kepler, pastor; Sunday School 9 a.m.; worship service, 10:30.

The Good Shepherd Lutheran Church will have their Lenten services each Wednesday evening during Lent at 7:30 p.m. and also on Maundy Thursday and Good Friday evenings, both at 7:30 p.m.

be the Heritage Room of Foree's restaurant. The event will be open to librarians from the System's member libraries and their invited guests - trustees, staff members, and community leaders from schools and civic groups, all of whom are interested in working together to involve the library with the community. Attending with Mrs. Stelter as guests of the Orland Park library will be Mrs. Blenda Buck, librarian, Orland School and Mrs. Laura Yunker, library clerk.

"Illinois Sings!" This film will be the main attraction at the February meeting of the Orland PTA on Tuesday evening, Feb. 18, at the Orland Center School.

One of several films produced by Illinois Bell Telephone Company in honor of the Illinois Sesquicentennial, the movie features talented Illinois vocalists, both soloists and choral groups, in a variety of locales around the state. Although the sesquicentennial year was in 1968, the program is extremely good entertainment, anytime.

In addition to honoring the establishment of our state, the February meeting will also honor the founding of the PTA. In a brief Founders' Day ceremony, some of the beginnings of our local PTA will be recalled. For the many parents who are new to the community, this should be especially interesting.

Following the program, Room Mothers from Miss Wilson's third grade and Mrs. Horvath's kindergarten will serve refreshments.

The meeting will begin at 8 P.M. in the gymnasium of Orland Center School.

Girls Night has been scheduled for Tuesday, Feb. 18, at 8 p.m., at Carl Sandburg High School. The program will feature the athletic skills developed by freshmen, sophomores, juniors and senior girls under the tutelage of the Physical Education Staff.

Mr. and Mrs. Leon Lucas will host the evening, and welcome the parents coming to this demonstration.

Funeral Rites For Mrs. Gulas

Funeral services were held yesterday at St. Mary's Assumption Church, Joliet, for Mrs. Pauline Gulas, 74, of 1206 Green St., New Lenox, who died Sunday, Feb. 9, at Silver Cross Hospital following a long illness.

A native of Streator, Mrs. Gulas had resided in the area for 58 years. She was a member of the Greek Cath-

olic Union Branch 270, the Assumption of the Blessed Mother Lodge Branch 53, and the Mothers Club and the Altar and Rosary Society of St. Mary's Assumption Church.

Two sons survive, John T. Gulas, of Joliet, and Stephen, of Seattle; also four daughters, Mrs. Verna Dumbrowski, New Lenox; Mrs. Pauline Fields, Seattle; Mrs. Anne Ostwrman, Plainfield and Mrs. Marilyn Karpen, Joliet; a brother, George

Ondrey, Streator; two sisters, Mrs. Barbara Yedinak, Joliet, and Mrs. Agnes Marinkak, of Dolton; 16 grandchildren and 13 great-grandchildren. Her husband, Stephen, died in 1958.

Interment was in Mt. Calvary Cemetery.

Farm Economics Forum At N. Lenox Feb. 20

Will County will host an agricultural economics forum Thursday, Feb. 20, at 10 a.m., at Bruns Restaurant at New Lenox, says A.A. Wicklein, Senior Extension Adviser.

Will County and Northern Illinois is changing and will continue to do so, says

Wicklein. The trends, technology, adjustments and opportunities offered by these changes will be discussed by University of Illinois agricultural economics specialists.

Prof. L. H. Simerl will relate "The Technological Advances and Policy

Trends."

"Adjustments for Commercial Farms in a Competitive Economy" will be discussed by Prof. A.G. Mueller.

Prof. M.B. Kirtley will be the resource leader on "Market Potentials, Structure Changes and Bargaining

Power."

The world's fastest self-cleaning ovens.

A new gas self-cleaning oven can get the messiest jobs done in half the time it takes the electric kind.

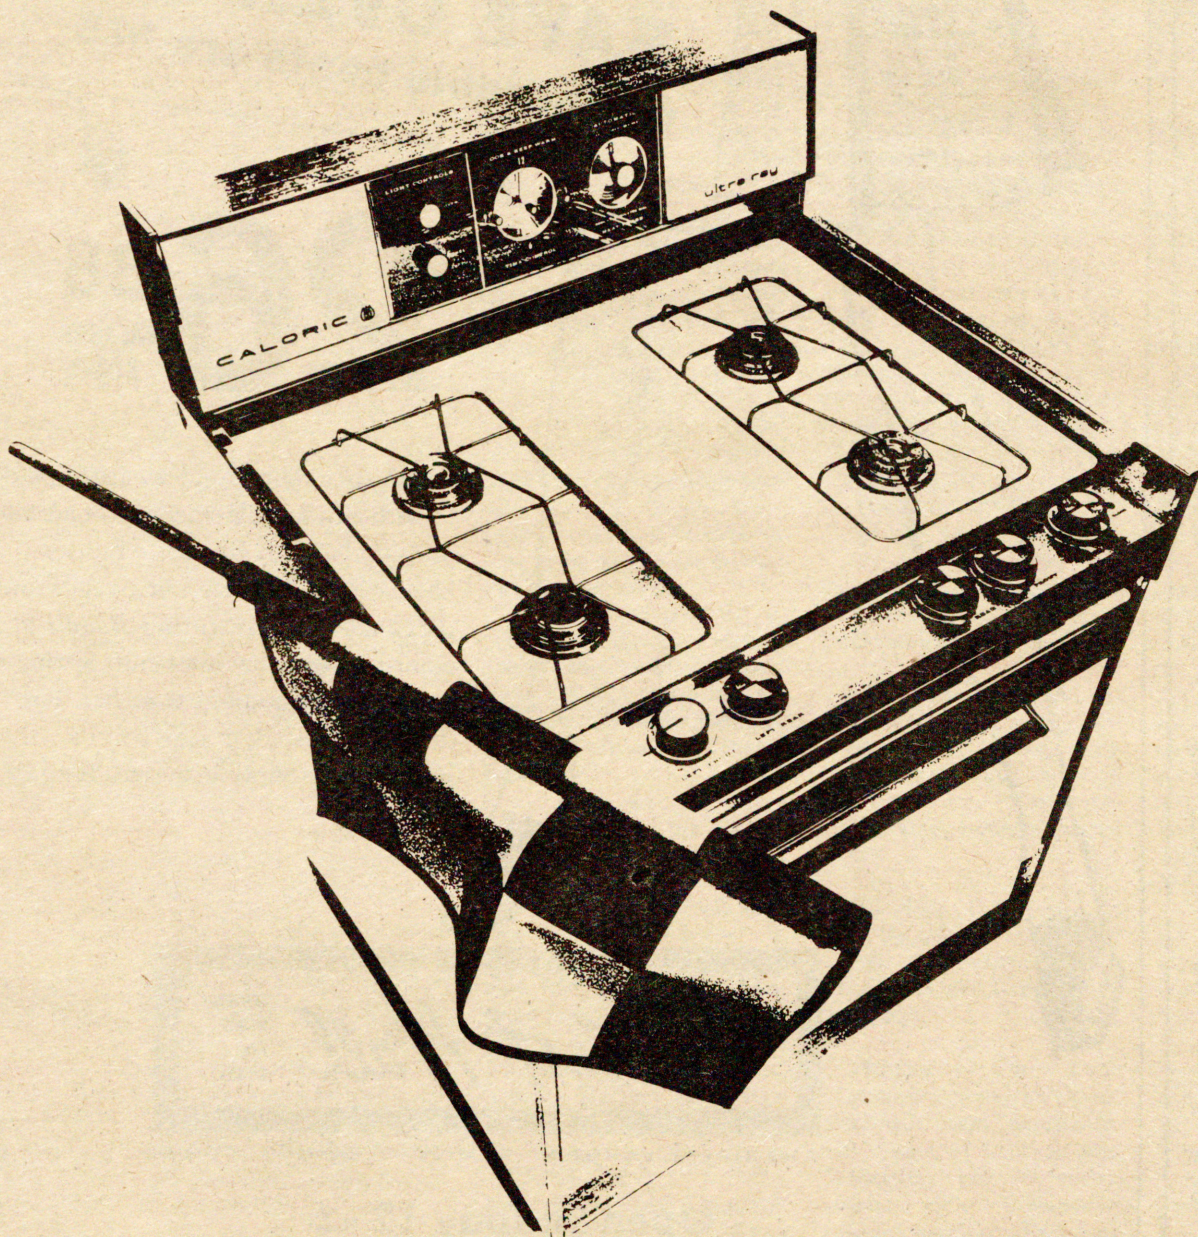

And with gas, you can shorten the cleaning cycle even more if an oven isn't soiled enough to require the full treatment.

But the best part about a new self-cleaning oven is the way it's packaged—inside a new gas range. Because only a gas range gives you precision-controlled top-of-stove cooking. Or gas infrared broiling units—the kind that cook quickly... provide eye-appealing browning, too.

Visit your Northern Illinois Gas office or appliance dealer and see why—when ovens come clean—it's no contest.

Gas wins in half the time.

ORDINANCE NO. 206

AN ORDINANCE creating an issue of \$1,200,000 Waterworks and Sewerage Revenue Bonds of the Village of New Lenox, Will County, Illinois, for the purpose of constructing improvements and extensions to its combined waterworks and sewerage system and refunding certain outstanding Sewerage Revenue Bonds, providing for the payment, sale and delivery of said bonds and making certain covenants in that connection.

WHEREAS the Village of New Lenox (hereinafter sometimes referred to as the "municipality") has owned and operated in its governmental capacity a sanitary sewerage system and now proposes to construct improvements to said sanitary sewerage system and to construct a new waterworks system, and has combined said systems into a combined waterworks and sewerage system (which combined waterworks and sewerage system, including all properties, facilities and equipment now or hereafter owned by the municipality whether lying within or without its boundaries and including all real estate and real and personal property of every kind and nature comprising any part or used or useful or convenient in the operation of the combined waterworks and sewerage system of the municipality, is sometimes hereinafter designated the "system"); and

WHEREAS the governing body of the municipality has heretofore approved plans, maps, files and specifications and an estimate of cost for the construction of improvements and extensions to the said combined waterworks and sewerage system in the amount of \$1,200,000, including engineering, legal and bond discount expenses; and

WHEREAS the holders of \$335,000 5% Sewerage Revenue Bonds outstanding of the municipality, dated July 1, 1960, maturing \$5,000 on July 1, 1969 through 1978, inclusive, \$10,000 on July 1, 1979 through 1987, inclusive, and \$15,000 on July 1, 1988 through 2000, inclusive, have consented to the refunding of said bonds in order to accomplish the financing of such needful improvements and extensions to the system; and

WHEREAS the municipality has funds on hand and legally available to pay part of such cost and in order to raise the funds required to pay the balance of such cost it will be necessary for the Village to borrow the sum of \$1,200,000 and in evidence thereof issue its Waterworks and Sewerage Revenue Bonds in the principal amount of \$1,200,000 for the purpose of paying part of the cost of the construction of said improvements and extensions to the combined waterworks and sewerage system and refunding said Sewerage Revenue Bonds dated July 1, 1960; and

WHEREAS the revenues of the system have not been pledged or hypothecated in whole or in part in any manner or for any purpose except for the payment of the Sewerage Revenue Bonds, dated July 1, 1960, above described and which bonds are to be refunded as hereinafter provided; and

WHEREAS pursuant to the provisions of Division 139 of Article 11 of the Illinois Municipal Code, the municipality is authorized to issue Waterworks and Sewerage Revenue Bonds in an amount sufficient to pay the cost of constructing said improvements and extensions, and refunding its Sewerage Revenue Bonds, as aforesaid, and the income and revenue derived and to be derived from the operation of the system will be fully adequate to provide for the payment of new bonds so proposed to be issued.

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of New Lenox, Will County, Illinois, as follows:

Section 1. That the combined waterworks and sewerage system shall be improved and extended in accordance with the engineering report heretofore submitted to and approved by this Board, said improvements and extensions to consist of the purchase and installation of a new well, water softening facilities, 150,000-gallon elevated storage tank, approximately 60,000 feet of 6 inch and 8 inch distribution mains, 80 valves, 125 fire hydrants and services with appurtenances to the users' property lines, additions to the sewage treatment plant to increase the capacity to 750,000 gpd and provide primary, secondary and tertiary treatment plus chlorination and sludge dewatering, a trunk sewer comprising of 4,500 feet of 21 and 24 inch sewer pipe and 14 manholes and appurtenances, together with all necessary appurtenances and connections used or useful in connection with the public convenience thereof to meet the requirements of the Sanitary Water Board and the Department of Public Health of the State of Illinois, all as more fully set forth in itemized detail in the plans, files, maps and specifications heretofore approved by this Board and now on file for public inspection in the office of the Village Clerk; and this Board does hereby determine the period of usefulness of the system, including said improvements and extensions, to be 40 years from the date of the bonds herein authorized to be issued.

Section 2. That for the purpose of accomplishing the needful improvements and extensions to the system as hereinabove described, including the refunding of said \$335,000 Sewerage Revenue Bonds, dated July 1, 1960, there be issued and sold the bonds of the Village of New Lenox to be designated "Waterworks and Sewerage Revenue Bonds" in the principal sum of \$1,200,000, to bear date of March 1, 1969, to be of the denomination of \$1,000 each as to bonds number 1 to 335, inclusive, and of the denomination of \$5,000 each as to bonds number 336 to 508, inclusive, to be numbered from 1 to 508, inclusive, to bear interest at the rate of not to exceed six per cent (6%) per annum or such lesser rate or rates as shall be determined by resolution to be adopted prior to delivery of the bonds, and to mature serially on May 1 in each of the years and in amounts as follows:

Amount	Years
\$10,000	1972 through 1976
\$15,000	1977 through 1981
\$20,000	1982 through 1986
\$25,000	1987 through 1990
\$30,000	1991 through 1993
\$35,000	1994 and 1995
\$40,000	1996 and 1997
\$45,000	1998 and 1999
\$50,000	2000 and 2001
\$55,000	2002 and 2003
\$60,000	2004
\$65,000	2005 and 2006
\$70,000	2007
\$75,000	2008

provided that the Village reserves the right to call for redemption prior to maturity on May 1, 1989, or on any interest payment date thereafter at par, and unpaid accrued interest to the date of redemption, the bonds maturing on May 1, 1990 through 2008, inclusive, in the inverse numerical order of said bonds, in accordance with the terms and conditions set forth in Section 3 of this ordinance.

Interest on the bonds shall be payable on May 1, 1969 and semi-annually thereafter on November 1 and May 1 in each year until paid, and both the principal of and interest on the bonds shall be payable in lawful money of the United States of America at such place or places in the State of Illinois as shall be designated by resolution to be adopted after said bonds have been sold.

The bonds shall be signed by the President, sealed with the corporate seal of the municipality, and attested by the Village Clerk, and the interest coupons attached to the bonds shall be executed by the facsimile signatures of the President and the Village

Clerk, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

Said bonds, together with interest thereon, shall be payable solely from the revenues derived from the operation of the system, and such bonds shall not in any event constitute an indebtedness of the municipality within the meaning of any constitutional provision or any constitutional or statutory limitation.

Any of the bonds may be registered at the option of the holder as to principal only, at any time prior to maturity, in the name of the holder, on the books of the municipality in the office of the Village Treasurer, such registration to be noted on the reverse side of the bonds by the Village Treasurer, and thereafter the principal of such registered bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered bonds may be transferable to another registered holder or back to bearer only upon presentation to the Village Treasurer, with a legal assignment duly acknowledged or approved. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

Section 3. That the bonds and coupons delivered thereto and the registration grid endorsement to appear on the back thereof shall be in substantially the following form:

(Form of Bond)

UNITED STATES OF AMERICA STATE OF ILLINOIS COUNTY OF WILL VILLAGE OF NEW LENOX WATERWORKS AND SEWERAGE REVENUE BOND

Number _____ \$ _____

KNOW ALL MEN BY THESE PRESENTS, that the Village of New Lenox, Will County, Illinois, for value received hereby promises to pay to bearer, or if this bond be registered as hereinafter provided, then to the registered holder hereof, solely from the Waterworks and Sewerage Fund of the Village of New Lenox, as hereinafter mentioned and not otherwise, the sum of _____ Dollars (\$ _____) on May 1, 19____, and to pay interest on such principal sum from the date hereof until paid, at the rate of _____ per cent (____%) per annum, payable May 1, 1969, and semiannually thereafter on November 1 and May 1 in each year, upon presentation and surrender of the interest coupons hereto attached as they severally mature.

Both principal of and interest on this bond are hereby made payable in lawful money of the United States of America at the _____, Chicago, Illinois.

This bond is payable solely from revenues derived from the combined waterworks and sewerage system of the Village and not otherwise, and is one of an authorized issue aggregating the principal sum of \$1,200,000 issued under authority of Division 139 of Article 11 of the Municipal Code of the State of Illinois, and all laws amendatory thereof and supplementary thereto, and an ordinance adopted on _____, 1969 and published as required by law, for the purpose of paying part of the cost of constructing improvements and extensions to the combined waterworks and sewerage system of said Village and for the purpose of refunding the outstanding Sewerage Revenue Bonds of the Village, and this bond does not constitute an indebtedness of said Village within the meaning of any constitutional provision or statutory limitation.

Under said Code and the ordinance adopted pursuant thereto, the entire revenue derived and to be derived from the operation of the combined waterworks and sewerage system of the Village shall be deposited in a separate fund designated as the "Waterworks and Sewerage Fund of the Village of New Lenox" which shall be used only for the purpose of paying the cost of operating and maintaining the system, providing an adequate depreciation fund, and paying the principal of and interest on the bonds of the Village that are issued under authority of said Code, and are payable by their terms only from the revenue of such system, and creating and maintaining the several accounts established by the ordinance authorizing the issue of bonds of which this bond is one. For a more complete statement of the source of payment of this bond and the issue of which it is a part, the circumstances under which additional obligations can be issued, and a statement of the rights, duties and obligations of the Village and the rights of the holders of the bonds, reference is made to the aforesaid ordinance, to all of the provisions of which ordinance the holder hereof by the acceptance of this bond assents.

The Village of New Lenox reserves the right to redeem prior to maturity on May 1, 1989 or on any interest payment date thereafter, at par and unpaid accrued interest to the date of redemption, the bonds maturing on May 1 in each of the years 1990 through 2008, in the inverse numerical order of said bonds.

Notice of such redemption shall be given by registered mail to the registered holder, if known, at the address shown on the books of the Registrar, and as to unknown holders, such notice shall be published once a week for at least two consecutive weeks in a newspaper published in the City of Chicago, Illinois, and devoted in part to the publication of financial news, and shall be filed at the place of payment of said bonds. The mailing, the filing and the date of the first publication of said notice shall be at least thirty days prior to the date specified for redemption, and said redemption notice shall describe the bonds to be redeemed, the date of redemption, and the place of redemption, which shall be the paying agent as stated in said bonds. After notice of redemption has been given in accordance herewith and funds are on deposit with the paying agent to pay said bonds so to be redeemed, interest thereon shall cease from and after the date of redemption.

It is hereby certified and recited that all acts, conditions and things required by the Constitution and statutes of the State of Illinois, to be done precedent to and in the issuance of this bond and in raising funds to promptly assure payment thereof, have been done, and have happened, and have been performed in regular and due form of law, and that provision has been made for depositing in said Waterworks and Sewerage Fund the entire revenues received from the operation of the combined waterworks and sewerage system, to be applied in the manner as hereinabove set forth; that it is hereby covenanted and agreed that rates will be charged for the use and service of such waterworks and sewerage system sufficient at all times to pay the cost of the operation and maintenance of such system, to provide an adequate depreciation fund and to pay the principal of and interest upon all bonds issued by the Village which are payable solely from the revenues of such combined waterworks and sewerage system.

This bond may be registered as to principal in the name of the holder, on the books of the Village in the office of the Village Treasurer, such registration to be evidenced by notation of said Treasurer on the back hereof, after which no transfer hereof shall be valid unless made on said books and similarly noted hereon, but it may be discharged from such registration by being transferred to bearer, after which it shall be transferable by delivery merely.

IN WITNESS WHEREOF, the Village of New Lenox, Will County, Illinois, by its President and Board of Trustees, has caused this bond to be signed by its President, its corporate seal to be hereto affixed and attested by the Village Clerk, and the coupons hereto attached to be signed by the facsimile signatures of said President and said Village Clerk, which officials, by the execution of this bond, do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the first day of March, 1969.

Section 4. That upon issuance of any of the bonds herein provided for, the system, for the purpose of this ordinance, shall be operated on a fiscal year basis, commencing with the first day of May and ending with the last day of April of each succeeding year, and during each year ending April 30, so long as any of the bonds herein authorized to be issued are outstanding, the entire revenues derived from the operation of the system shall be collected and shall be set aside as collected and be deposited in a separate fund, which is hereby created, to be designated as the "Waterworks and Sewerage Fund of the Village of New Lenox" which shall be kept apart and segregated from all other moneys of the municipality and shall be used only to create and maintain the several accounts hereinafter specified for the purpose of paying the cost of the operation and maintenance of said system providing an adequate depreciation reserve, and paying the principal of and interest upon all revenue bonds issued and outstanding which by their terms are payable from the revenues of the system, and such Waterworks and Sewerage Fund shall be used only for such purposes and is hereby pledged therefor.

Section 5. That for the accounting of all moneys and assets of said Waterworks and Sewerage Fund at any time and from time to time while any bonds herein authorized are outstanding and unpaid, there are hereby created and established separate accounts to be designated (a) the Operation and Maintenance Account, (b) the Depreciation Account, (c) the Bond Account, (d) the Bond Reserve Account, and (e) the Surplus Account. All deposits made to and all funds held in each of said accounts, respectively, shall be continuously secured as provided by the laws of the State of Illinois governing public bodies. There shall be paid on the first business day of each month all moneys held in said Waterworks and Sewerage Fund in accordance with the following provisions and in the priority of said accounts so created and established as follows:

(a) **Operation and Maintenance Account:** There first shall be set apart and paid out of said Waterworks and Sewerage Fund into the Operation and Maintenance Account, an amount considered necessary and sufficient to pay the reasonable current expenses of operating, repairing and maintaining said system for the current month, including without limiting the generality of the foregoing, salaries, wages, costs of materials, supplies, insurance, power and administration.

(b) **Depreciation Account:** There next shall be deposited in the Depreciation Account the sum of \$250.00 each month until a maximum of \$30,000.00 is on deposit in said Account which is hereby found and determined to be a reasonable amount necessary to accomplish the purpose for which said Depreciation Account is established. The moneys in said Account shall be used to pay the cost of necessary replacements to the system, and shall not be used for extensions to said system and all expenditures for such necessary replacements shall be approved by an independent consulting engineer or engineers favorably known for skill in such matters, before any such expenditures are made. The moneys held in said Depreciation Account to the extent necessary to prevent or remedy a default in the payment of the interest on or principal of the bonds herein authorized shall be used and held for use for that purpose, and shall be transferred to the Bond Account, and whenever such a transfer is made, the amount so transferred shall be added to the next deposit to be made, and thereafter until full reimbursement to said Depreciation Account has been made.

The moneys in said Depreciation Account may be invested and reinvested in bonds or other direct obligations of the United States of America maturing within five (5) years from date of purchase, or in such securities permitted by the laws of Illinois governing the deposit of public funds, as may be authorized from time to time by resolution of the governing body of said municipality.

(c) **Bond Account:** There next shall be deposited in the Bond Account for the purpose of paying the maturing principal of and interest accruing on the bonds issued under the terms of this ordinance such amount of said income and revenue as will be sufficient and adequate at any time to pay the principal of and interest on said bonds as the same respectively mature, which amount shall be used solely for that purpose. It is hereby covenanted and agreed that there shall be set aside monthly in said Bond Account (i) an amount at least equal to 1/6th of the interest becoming due on all said outstanding bonds on the next succeeding interest payment date and (ii) an amount at least equal to 1/12th of the principal becoming due on the next succeeding principal payment date.

It is the express intent and determination of the governing body of this municipality that the amount of said income and revenue so to be set aside and deposited into said Bond Account shall be in any event always sufficient to pay the interest upon said bonds as the same becomes due and the principal thereof as the same matures and there shall be deposited out of such income and revenue received from the operation of said system from month to month during each such fiscal year, without further authorization from the governing body of this municipality, sufficient moneys in said Bond Account to pay promptly such principal and interest.

No further payments need to be made into said Bond Account when and so long as such amount of bonds shall have been retired that the amount then held in said Account, together with the amount then on deposit in the Bond Reserve Account hereinafter described, is equal to the entire amount of all interest and principal that will be payable at the time of redemption or maturity on all of said bonds then remaining outstanding.

If in any fiscal year said municipality shall for any reason fail to pay into said Bond Account the full amount above specified, then an amount equivalent to such deficiency shall be set apart and paid into said Account from the first available revenue of the next following fiscal year or years, and shall be in addition to the amount otherwise herein provided to be so set apart and deposited during each succeeding fiscal year or years.

If there are not sufficient funds in the Bond Account available to pay maturing principal of and interest on the bonds herein authorized, such deficiency shall be made up (1) by the transfer of funds from the Bond Reserve Account herein created, (2) from the transfer of funds from the Depreciation Account, and (3) by the transfer of funds from the Surplus Account herein created.

The Bond Account shall be carried as a separate deposit at the depository of said municipality, and the moneys in said Account may be invested and reinvested in bonds or other direct obligations of the United States of America having a fixed maturity of not exceeding ninety-one (91) days from the date of each investment.

That funds to pay principal and interest, together with the fees and expenses of the paying agent, shall be delivered to the paying agent at least fifteen (15) days prior to the due date of principal or interest.

(d) **Bond Reserve Account:** There shall next be deposited in the Bond Reserve Account the sum of \$750.00 each month until a maximum of \$90,000.00 is on deposit in said Account, and at which figure said Account, notwithstanding any transfer therefrom as herein permitted, shall thereafter be continuously maintained, and all moneys therein shall be only used by the Treasurer hereof as

may be needed from time to time in the payment of the interest on or principal of the bonds herein authorized whenever there exists a deficiency in the Bond Account hereinabove established, and all withdrawals therefrom for that purpose shall be reimbursed from the next revenues available therefor as provided herein. Whenever the amount on deposit in said Account, together with the amount on deposit in the Bond Account hereinabove described, is equal to or greater than the interest on and principal of all the bonds herein authorized that are outstanding, then no further deposits need be made in said Bond Reserve Account.

The Bond Reserve Account shall be carried as a separate deposit at the paying agent, and the moneys in said Bond Reserve Account may be invested and reinvested in bonds or other direct obligations of the United States of America maturing within five (5) years from date of purchase, or in such securities permitted by the laws of Illinois governing the deposit of public funds, as may be authorized from time to time by resolution of the governing body of said municipality.

(e) **Surplus Account:** At the end of each fiscal year any surplus funds then remaining after providing for all of the deposits hereinabove listed in subparagraphs (a) through (d) shall be deposited in the Surplus Account to be used and held for use as follows:

(i) First, for the reimbursement at any time and from time to time of any account listed in subparagraphs (a) through (d) hereof that is depleted by withdrawals; and

(ii) Second, for the purpose of making improvements and extensions to the system or for the retirement of the bonds herein authorized prior to maturity by purchase on the open market at not more than par and accrued interest, and all such bonds so purchased shall be cancelled.

The money in the Surplus Account shall be carried as a separate deposit, and the moneys therein may be invested and reinvested in bonds or other direct obligations of the United States of America maturing within ten (10) years from date of purchase, or in such securities provided by the laws of the State of Illinois governing the deposit of public funds as may be authorized from time to time by resolution of the governing body of said municipality.

Section 6. That said municipality hereby agrees to carry insurance on said system of the kinds and in the amounts which are usually carried by private parties operating similar properties, including without limiting the generality of the foregoing, fire, windstorm insurance, public liability, and any additional insurance covering such risks as shall be recommended by a competent independent engineer employed for the purpose of making such recommendations, and all moneys received for losses under such insurance policies as insure against physical damage to or loss of the system shall be deposited in the Depreciation Account and shall be used in making good the loss or damage in respect of which they were paid, either by repairing the property damaged or replacing the property destroyed, and provision for making good such loss or damage shall be made within ninety (90) days from date of the loss. The proceeds of any and all policies for public liability shall be paid into the Operation and Maintenance Account and used in paying the claims on account of which they are received.

The payment of premiums for all insurance policies required under the provisions of this Section shall be considered an operation and maintenance expense.

Section 7. That while any of the bonds issued pursuant to this ordinance remain outstanding or unpaid, rates charged for water and sewerage services shall be sufficient at all times to pay all costs of operation and maintenance of the system, to make the payments and maintain the balance as required in the Depreciation Account, to pay the principal and interest on all bonds authorized hereunder, and to make the payments and maintain the balance as required in the Bond Account and the Bond Reserve Account, as is hereinabove provided for. There shall be charged against all users of the system, including the municipality, such rates and amounts for water and sewerage services as shall be adequate to meet the requirements of this Section. Charges for services rendered the municipality shall be made against the municipality and payment for the same from the corporate funds shall be made monthly into the Waterworks and Sewerage Fund created by this ordinance as other revenues derived from the operation of the system and in the same manner as other revenues are so required to be deposited.

In addition to the foregoing the municipality covenants not to provide any free service of said system and to pay promptly for the use of all facilities connected and to be connected to the system, including water used for fire protection to be computed by the number of fire hydrants connected, and to be connected, with said system.

It is expressly herein covenanted that to the extent permitted by law the municipality will not grant a franchise for the operation of any competing waterworks system or sanitary sewer system or combination thereof within said municipality, and that the bonds herein authorized to be executed shall constitute legally enforceable liens upon the earnings of the combined waterworks and sewerage system of said municipality, including all further extensions, additions, and improvements thereto, whether acquired through purchase, contract or otherwise.

Section 8. That in the event the municipality defaults in complying with any covenant contained in this ordinance, any holder of any bond issued, hereunder, or of any coupon representing interest accrued thereon, may, either in law or in equity, by proper suit, compel the officials of said municipality to perform all duties required by law and by this ordinance, including the making and collecting of sufficient rates for water and sewerage services for that purpose and the application of income and revenues therefrom.

Section 9. That it is hereby covenanted and agreed with the holders of the bonds herein authorized that said municipality will not issue any other or additional bonds or other evidences of obligations of said municipality payable from or in any way creating a charge upon the income and revenues to be derived from the operation of said system unless and until the gross cash operating revenues earned for the last fiscal year ending April 30 immediately preceding the authorization of any such additional bonds as shown by an audit of a certified public accountant were sufficient to pay all costs of operation and maintenance, and leave a balance equal to at least 125% of the combined maximum annual principal and interest requirements on all bonds then outstanding payable from the revenues of the system and the additional bonds proposed to be issued. The municipality further covenants that if any additional bonds are so issued the maximum amounts to be deposited in the Bond Reserve Account and the Depreciation Account shall be increased in proportion to the principal amount of any additional bonds so issued.

Notwithstanding the above restrictions additional bonds to share ratably and equally in the income and revenues of the system with the revenue bonds authorized to be issued under the terms of this ordinance may be issued at any time after the passage of this ordinance for the purpose of constructing further improvements or extensions to the system; but only upon certificate to the governing body of the municipality by the consulting engineer then in the employ of said municipality:

(a) giving a reasonably detailed description of such work, an estimate of the cost thereof, and an estimate of the time of completion thereof; and

(b) showing the feasibility of such additional revenue financing with reference to existing and proposed rates and anticipated earnings based thereon; and such certificate must show that projected revenues for the first full fiscal year following completion of such work, will be sufficient to pay all cost of operation and maintenance, and leave a balance equal to at least 140% of the combined maximum annual principal and interest requirements on all bonds then outstanding payable from the revenues of the system and the additional bonds proposed to be issued; and said certificate shall be approved by the governing body of the municipality and filed in the office of the Village Clerk for public inspection preliminary to the adoption of any ordinance providing for the issuance of any additional revenue bonds.

Notwithstanding the above restrictions, additional bonds to the amount of \$50,000 to share ratably and equally in the income and revenues of the system with the revenue bonds authorized to be issued

under the terms of this ordinance may be issued at any time after the passage of this ordinance for the purpose of completing the construction of the improvements and extensions, authorized and provided for by this ordinance, but only upon certificate to the governing body of the municipality by the consulting engineer then in the employ of said municipality that additional funds are necessary for the purpose of completing the construction of said improvements heretofore approved and now on file in the office of the Village Clerk for public inspection and said certificate shall show the total amount of work completed, the cost thereof, the work remaining to be completed and the estimated cost thereof and said certificate shall be approved by the governing body of the municipality and filed in the office of the Village Clerk for public inspection preliminary to the adoption of any ordinance providing for the issuance of any additional revenue bonds.

In addition to the foregoing, if prior to the payment of any of the bonds hereby authorized, it shall be found desirable to refund all or a part of the bonds hereby authorized, said bonds may be refunded notwithstanding the restrictions as to the issuance of additional bonds set forth in this Section (with the consent of the holders thereof unless the bonds to be refunded are subject to redemption and provision for call and redemption thereof is duly made) and any refunding bonds so issued shall share ratably and equally in the revenues of said system and the pledge thereof under this ordinance with the portion of the bonds hereby authorized which are not refunded; provided, however, that if only a portion of said outstanding bonds are to be refunded at any time, such obligations shall not be refunded by bonds bearing interest at a rate greater than the interest rate provided by this ordinance, or maturing at a date earlier than the final maturity of such bonds not refunded.

When the conditions herein specified for the issue of additional bonds have been met, then upon the issue thereof any such additional bonds, when issued, shall be entitled to the equal and proportionate benefit and security of the pledge of the revenue and income derived and to be derived from the operation of said system, with the bonds herein authorized without preference, priority or distinction as to participation of such pledge or revenue, or in the benefit of one bond or coupon of each of said issues over or from any other issue by reason of priority in execution, issue, delivery or negotiation thereof, or by reason of the date or dates of said bonds, or the date or dates of maturity thereof, or for any other reason whatsoever, the intent hereof being that each and all of said bonds, as aforesaid, and of coupons evidencing interest thereon shall have the same right and pledge as to payment and security with the same legal effect as if each and all of said bonds and coupons had been executed, issued, delivered and negotiated simultaneously as one proceeding.

Said Village reserves the right to issue bonds for the construction of further necessary improvements, extensions, repairs and rehabilitations to the properties comprising said system which shall be subordinate and junior in standing in all respects, with respect to the payment of the principal of and interest on and the security of the bonds authorized hereunder and all outstanding bonds of said Village theretofore issued under the provisions of this Section, and then outstanding, provided that any such subordinate and junior bonds shall be expressed to mature after the final maturity date of any bonds theretofore issued and then outstanding, and shall not be subject to redemption prior to maturity until after the final maturity of any bonds of said Village theretofore issued and then outstanding.

Section 10. That the municipality hereby covenants and agrees with the holder or holders of said bonds that it will punctually perform all duties with reference to said system required by the Constitution and laws of the State of Illinois, including the making and collecting of sufficient rates for the use and service of said system required by the Constitution and laws of the State of Illinois, and segregating the revenues of said system and maintaining the Waterworks and Sewerage Fund and the application of such revenues to the respective accounts created by this ordinance, and it hereby covenants and agrees that it will not sell, lease, loan, mortgage, or in any manner dispose of or encumber said system (subject, however, to the right reserved in Section 9 to issue additional bonds) including any and all extensions and improvements that may be made thereto, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment thereof.

Said municipality further covenants and agrees with the holders of said bonds authorized hereunder to maintain in good condition and continuously to operate said system, and to make, enact and enforce all needful rules and regulations and ordinances for the efficient management and proper maintenance and protection of such system, and for the use and service thereof.

Section 11. That said Waterworks and Sewerage Fund and accounts shall be audited within sixty (60) days after the close of each fiscal year by an independent firm of certified public accountants, and such audit and accounts shall be open for inspection at all proper times to any holder of bonds issued under the provisions of this ordinance, or any one acting for or on behalf of such bondholder. Such audit report shall include the following items: (a) Balance Sheet, (b) Operating Statement, (c) Comments of the auditor relative to the fulfillment of ordinance provisions and the manner in which the system has been operated; his recommendations for improving the financial operation of the system, (d) Insurance data, (e) Number of metered customers; number of unmetered customers; number of properties connected to the system; number of hydrants, and (f) Gallons of water through master meter and gallons of water billed, and copies of such audit report shall be furnished the original purchasers of the bonds herein authorized, and shall also be furnished to any bondholder upon request.

Section 12. That the provisions of this ordinance shall constitute a contract between the municipality and the holders of the bonds herein authorized to be issued and after the issuance of said bonds no changes, additions or alterations of any kind shall be made hereto, except as hereinbefore provided, until all of said bonds and the interest thereon shall have been paid in full, or unless and until provision shall have been made for the payment thereof.

Section 13. That bonds numbered 1 through 335, inclusive, shall be delivered in exchange for the outstanding \$335,000 5% Sewerage Revenue Bonds, and that bonds numbered 336 through 508 of the bonds herein authorized shall be sold as may be determined by the President and Board of Trustees at an interest cost to said Village not exceeding 6% annually computed to maturity according to standard table of bond values, and any bonds not issued shall be cancelled. Said bonds when duly executed as provided herein shall be delivered to the Treasurer who shall receipt for the payment of said bonds against delivery thereof to said purchasers, and simultaneously with the delivery of the bonds herein authorized, the outstanding \$335,000 principal amount of Sewerage Revenue Bonds, dated July 1, 1960, shall be simultaneously cancelled so that at no moment of time will the revenue of the system be encumbered except for the payment of the bonds herein authorized, and proper evidence of such delivery to accomplish such refunding shall be made of record in the office of the Village Treasurer.

All proceeds derived at the sale and delivery of said bonds numbered 336 through 508 shall be accounted for by said Treasurer as follows:

(i) All accrued interest from the date of the bonds to the date of delivery and payment plus a sum sufficient to pay the interest on said bonds during the period of construction shall be deposited in the Bond Account with the paying agent; and

(ii) The remaining proceeds received as principal, together with the sum of \$285,000, representing funds on hand and legally available to apply to pay part of the cost of such construction, shall be deposited by the Treasurer hereof in a separate and special account of the municipality to be known and designated as the "Waterworks and Sewerage System Bond Construction Account" and such deposit shall be made in a bank which is a member of the Federal Deposit Insurance Corporation, as depository, to be secured in the manner, form and time as by law required, and all

proceeds held in said Construction Fund Account shall be used and held for use solely to construct the improvements and extensions to the system of the municipality as hereinabove described in this ordinance, and the beneficial interest to all moneys held in said Construction Fund Account at the time of the original deposit therein and from time to time thereafter shall be in the holder or holders of the bonds herein authorized, and all disbursements therefrom shall be made by the Treasurer of this municipality from time to time but only upon submission to him and said depository of:

(a) a certificate by the engineer in responsible charge of the construction of said improvements and extensions, stating the nature of the work completed and the amount due and payable thereon, and that sufficient funds remain to complete the construction thereof, bearing the endorsement and approval of the President of said municipality and accompanied by;

(b) an order for payment upon said Treasurer signed by the President of said municipality and the Village Clerk, which order shall state specifically the purpose for which said order is issued; and the President of said municipality, the Village Clerk, and the Village Treasurer are each hereby authorized and directed to execute and deliver to the depository such certificates, proceedings, and agreements as may be necessary or convenient to establish said Construction Fund Account herein created and to properly secure all proceeds thereof, and to evidence compliance herewith in the making of any withdrawals therefrom.

Within the sixty (60) days after completion of the construction of the improvements and extensions herein authorized, the municipality agrees to deliver to said depository an original counterpart of a certificate (herein called the "Certificate of Completion") signed by the Village President and by the Village Treasurer, and having endorsed thereon the approval of the engineer in charge of such construction, stating that said improvements and extensions have been fully constructed and completed in accordance with the plans, maps, files and specifications therefor as recited in this ordinance, and that the same have been fully paid for, or that funds sufficient so to pay for the same remain in said Construction Fund Account, giving the date of final completion and the total cost of construction, and the amount, if any, of such construction cost then remaining unpaid, together with an original counterpart of the opinion of counsel for said municipality to the effect that all property, real, personal and mixed, connected with or forming a part of, or necessary to the operation of said system as completed, is owned by said municipality and covered by the lien of this ordinance, and upon receipt of such Certificate of Completion and opinion of counsel as mentioned, said depository, after retaining in said Construction Fund Account a sum sufficient to pay the balance of the construction cost remaining unpaid as shown by said Certificate of Completion, including any items then in controversy, shall deposit all moneys, then remaining with the paying agent for said bonds, in the Bond Account herein created.

Section 14. That the President, Clerk and Treasurer of the municipality are each hereby authorized and directed to execute and deliver to the paying agent of the bonds and to the depository such certificates, proceedings and agreements as may be necessary or convenient to establish the "Waterworks and Sewerage Fund of the Village of New Lenox" herein created and each Account herein created, and to secure properly all proceeds thereof, and to evidence compliance herewith in the making of all withdrawals therefrom.

Section 15. That if any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

Section 16. That all ordinances, resolutions, or orders, or parts thereof, in conflict with the provisions of this ordinance are, to the extent of such conflict, hereby repealed.

Section 17. That this ordinance, after its passage and approval by the President shall be published once in the **New Lenox Press**, a newspaper published in the Village of New Lenox and having a general circulation in the Village of New Lenox, there being no newspaper published in said Village, and shall be in full force and effect after such publication in the manner, form and time as provided by the laws of the State of Illinois thereunto enabling.

ORDINANCE NO. 204

AN ORDINANCE providing for the combination of the existing sanitary sewerage system and a waterworks supply and distribution system of the Village of New Lenox, Will County, Illinois, into a combined waterworks and sewerage system and providing for their operation as a single utility.

WHEREAS the Village of New Lenox now owns and operates a sanitary sewerage system of the following general description:

Sewer lines ranging between 6 and 12 inches in diameter, serving occupied premises within the corporate limits of the Village, a treatment plant having a capacity of 250,000 gallons per day, provide primary and secondary treatment and chlorination along with three lift stations and all necessary appurtenances and connections, and has good and merchantable title to all property, real, personal and mixed, comprising said system; and

WHEREAS said Village proposes to acquire and construct a waterworks supply and distribution system of the following general description; and trunk sewer and addition to the sewage treatment plant of the following description: a new well, water softening facilities, 150,000 gallon elevated storage tank, approximately 60,000 feet of 6 and 8 inch distribution mains, 80 valves, 125 fire hy-

drants and service with appurtenances to the sewer property lines, additions to the water treatment plant to increase the capacity to the 750,000 gpd and provide primary, secondary and tertiary treatment, plus chlorination and sludge dewatering, a trunk sewer comprising of 4,500 feet of 21 and 24 inch sewer pipe, 14 manholes and all necessary appurtenances and connections used or useful in connection with the public convenience, and

WHEREAS it is deemed advisable and for the best interests of the Village and more economical that the existing sanitary sewerage system of the Village, in its entirety, including all improvements and extensions that may hereafter be made thereto, and the waterworks supply and distribution system and improvements to be constructed in and for said Village, in its entirety, be combined, and that the existing sanitary sewerage system and the waterworks system together with the improvements proposed to be constructed in said Village be operated as a single utility; and

WHEREAS pursuant to the provisions of Division 139 of Article 11 of the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto, this Village is authorized to combine its existing sanitary sewerage system and the waterworks system and issue revenue bonds for the purpose of financing the cost of the construction of improvements and extensions to be made to said combined system; and

WHEREAS it will be necessary that funds be provided for the construction of the improvements and extensions of the combined waterworks and sewerage system, pursuant to the provisions of the above mentioned Division 139 of Article 11 of the Illinois Municipal Code:

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of New Lenox, Will County, Illinois, as follows:

Section 1. That the existing sanitary sewerage system in its entirety, together with all additions, improvements and extensions thereto that may hereafter be made and the waterworks supply and distribution system in its entirety as it is to be acquired, together with all additions, improvements and extensions thereto that may hereafter be made, of the Village of New Lenox, be and the same are hereby declared to be a combined system, and said combined waterworks and sewerage system shall be maintained and operated as a single utility, and that a charge or rate shall be established for the use of such combined system, which shall be reasonable and commensurate with the service performed by said combined system, and shall be sufficient to maintain, operate, and provide an adequate depreciation fund and pay the principal and interest on any revenue bonds which may be issued, which by their terms are made payable from the revenues of such combined system.

Section 2. That all property, real, personal and mixed, comprising said waterworks system and sanitary sewerage system, as hereinabove in the preamble to this ordinance more fully described, be and the same is hereby found, determined and declared to constitute the properties of the combined waterworks and sewerage system of said Village.

Section 3. That from and after the effective date of this ordinance said waterworks system and said sanitary sewerage system shall be owned and operated by this Village as a combined utility, known as the combined waterworks and sewerage system of said Village, and all improvements and extensions to said waterworks or sewerage system, either or both, shall be considered as improvements and extensions to said combined utility; and all the properties, assets, obligations and liabilities, of all kinds, of said waterworks system and of said sanitary sewerage system, existing, outstanding and accruing or to accrue, shall be held, used, confessed and acknowledged as the properties, assets, obligations and liabilities of said combined utility.

Section 4. That all ordinances and parts of ordinances in conflict herewith be, to the extent of such conflict, hereby repealed.

Section 5. That this ordinance shall be published once in the New Lenox Press, and shall be in full force and effect upon its passage and publication as provided by law.

returned to their home on Feb. 5 from a motor trip to Florida. They were guests in the home of Mr. and Mrs. Fletcher Binion at Sarasota and visited points of interest at St. Augustine. In route home they visited in the home of their daughter and family, Mr. and Mrs. Charles Lauffer and sons at Brevard, North Carolina.

Three Run For Library Trustees

New Lenox voters will ballot on three candidates for trustees of the township library on April 1.

The trustees, who are elected on a non-partisan basis, serve six year terms.

The nominees this year are Dr. A.D. Miller, incumbent; Roy D. Fitzner and Carl W. Fosnaugh.

In previous years the board had six members but a change in the law makes it necessary to elect a seventh member this year. But for this there would have been but two candidates.

Ronald M. Whitaker, New Lenox insurance broker, has served 12 years -- two terms -- on the board. He is also a member of the Junior College board and so chose not to be a candidate for re-election to the library board.
